PROFESSIONAL SUMMARY

As an experienced licensed Occupational Therapist with experience in low-vision outpatient rehabilitation, acute care, and pediatric settings, I offer specialized low-vision therapy. My focus is on client-centered, evidence-based practice and personalized care, supported by my ACVREP certification as a low-vision therapist.

EDUCATION

- ▶ **2020 - 2022**
MASTER OF SCIENCE IN OCCUPATIONAL THERAPY
University of North Carolina at Chapel Hill

Ranked 10th in the nation, my Occupational Therapy education from UNC-Chapel Hill included fieldwork in acute care at UNC Health and The Duke Eye Center.
- ▶ **2010 - 2013**
BACHELOR OF ARTS
Goddard College

At Goddard College, studied a diverse range of subjects including agriculture, permaculture, sustainability, graphic design, printmaking, and sculpture.
- ▶ **2007 - 2009**
ASSOCIATE DEGREE IN GRAPHIC DESIGN
Portland Community College

At Portland Community College, I honed my skills in graphic design, website development, and printmaking.

WORK EXPERIENCE

- ▶ **LOW VISION REHAB SOLUTIONS (2022-2023)**
As an Outpatient Certified Low Vision Therapist, I provided specialized therapy services to individuals with visual impairments. Through this role, I gained expertise in client-centered evidence-based practice, individualized care, and low vision therapy techniques.
- ▶ **THE DUKE EYE CENTER (2022)**
Specialized in providing low-vision rehabilitation services within Duke Eye Center's outpatient setting, utilizing client-centered evidence-based practices.
- ▶ **UNC HOSPITAL ACUTE (2021)**
Provided occupational therapy services in acute care setting within cardiac intensive care unit, collaborating with interdisciplinary teams to optimize patient outcomes.
- ▶ **THE WELLNESS STATION (2014-2017)**
Managed billing, coding, EMR and administrative functions for a small, independent physical therapy practice. Collaborated with the physical therapist to enhance patient experiences and outcomes, consistently striving to advance the practice's reputation as a leading provider of quality care.
- ▶ **KILLDEER POTTERY 2015 - 2023**
SCULPTOR/POTTER

Crafted unique ceramic pieces and honed skills as a self-employed artisan, showcasing work at local craft shows, farmer's markets, and various galleries.

SKILLS

- ▶ Evidence-based practice
- ▶ Client-centered care
- ▶ Low vision assessments
- ▶ Adaptive device prescription
- ▶ EMR / EHR Systems
- ▶ Assistive technology
